

Saratoga County Water Authority

INVESTMENT POLICY

Re-Adopted August 27, 2020

Section 1 – Scope

This investment policy applies to all moneys and other financial resources available for investment on behalf of *the Saratoga County Water Authority* or on behalf of any other entity or individual.

Section 2 - Objectives

The primary objectives of the *Saratoga County Water Authority's* investment activities are, in priority order,

- ✓ **Legal:** to conform with all applicable federal, state and other legal requirements,
- ✓ **Safety:** to adequately safeguard principal
- ✓ **Liquidity:** to provide sufficient liquidity to meet all operating requirements, and
- ✓ **Yield:** to obtain a reasonable rate of return.

Section 3 – Delegation of Authority

The *Saratoga County Water Authority's* responsibility for administration of the investment program is delegated to the *Treasurer*, or other officer *so designated*, having custody of money, who shall establish an adequate internal control structure to provide a satisfactory level of accountability based on a data base or records incorporating description and amounts of investments, transaction dates, and other relevant information and regulate the activities of subordinate employees.

Section 4 – Prudence

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the *Saratoga County Water Authority* to govern effectively.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

Section 5 – Diversification

It is the policy of the *Saratoga County Water Authority* to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

Section 6 – Internal Controls

All monies collected by any officer or employee of the *Saratoga County Water Authority* shall typically be deposited in a designated depository within 72 hours or as soon as otherwise practical, but in no event shall any deposit be made later than 10 days, inclusive of Sundays and

holidays from the day of receipt or when total remittances collected exceed \$250, unless the time specified by law is shorter.

The *Treasurer*, or other officer *so designated*, having custody of money, is responsible for establishing and maintaining an internal control structure to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization and recorded properly, and are managed in compliance with applicable laws and regulations.

All cash disbursements in excess of \$5,000 will require the signatures of two Authority's officers or other designated employees.

Section 7 – Designation of Depositories

The banks and trust companies authorized for the deposit of monies will be designated by resolution of the *Saratoga County Water Authority*.

Section 8 – Collateralizing of Deposits

In accordance with the provisions of General Municipal Law, §10, all deposits of *Saratoga County Water Authority*, including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured:

1. By a pledge of "eligible securities" with an aggregate "market value", as provided by General Municipal Law, §10, equal to the aggregate amount of deposits from the categories designated in Appendix A to the policy.
2. By an eligible "irrevocable letter of credit" issued in favor of the local government by a federal home loan bank whose commercial paper and other unsecured short-term obligations are rated in the highest category by at least one nationally recognized statistical rating organization for a term not to exceed 90 days with an value of 100% of the aggregate amount of public deposits and the agreed upon interest, if any.
3. By an eligible surety bond payable to the government for an amount at least equal to 100% of the aggregate amount of deposits and the agreed upon interest, if any, executed by an insurance company authorized to do business in New York State, whose claims- paying ability is rated in the highest rating category by at least two nationally recognized statistical rating organizations.

Section 9 – Safekeeping and Collateralization

Eligible securities used for collateralizing deposits shall be held by a third party or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities are being pledged to secure local government deposits together with agreed upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon default. It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released and the events, which will enable the local government to exercise its rights against the pledged securities. In the event that the securities are not registered or inscribed in the name of the local government, such securities shall be delivered in a form suitable for transfer or with the *Saratoga County Water Authority* or its custodial bank.

The custodial agreement shall provide that securities held by the bank or trust company, or agent of and custodian for, the local government, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be co-mingled with or become part of the backing for any other deposit or other liabilities. The agreement should also

describe that the custodian shall confirm the receipt, substitution or release of the securities. The agreement shall provide for the frequency of revaluation of eligible securities and for the substitution of securities when a change in the rating of a security may cause ineligibility. Such agreement shall include all provisions necessary to provide the local government a perfected interest in the securities.

Section 10 – Permitted Investments

The *Saratoga County Water Authority* authorizes the *Treasurer*, or other officer *so designated*, having custody of money, to invest moneys not required for immediate expenditure for terms not to exceed its projected cash flow needs in the following types of investments:
